Projects

eASY SHOP - e-Commerce Hub

- eASY SHOP is designed for every user, including those with limited English skills or first-time users, to easily explore and use the app. It provides a responsive, user-friendly platform with all the essential features of an e-commerce site.
- By simplifying the complexity often found in platforms like Amazon, I built an intuitive, easy-to-navigate system that offers the full functionality of major e-commerce platforms while ensuring a hassle-free experience for everyone.
